

ROCKET END USER LICENSE AGREEMENT

IMPORTANT - THIS IS A LEGAL AGREEMENT BETWEEN YOU, ON BEHALF OF YOUR ORGANIZATION ("LICENSEE") AND ROCKET SOFTWARE, INC. OR ITS SUBSIDIARY ("ROCKET") THAT CREATES FULLY ENFORCEABLE OBLIGATIONS SUBJECT TO THESE TERMS. BY CLICKING THE "I ACCEPT" BUTTON YOU AGREE TO THESE TERMS, AND YOU REPRESENT THAT YOU ARE AUTHORIZED TO ACCEPT THE EULA ON BEHALF OF YOUR ORGANIZATION. This end user license agreement ("EULA") governs the Rocket proprietary software ("Software") that Rocket, or a Rocket authorized distributor ("Distributor"), provides with the EULA, and related Rocket user manuals and training materials ("Documentation"), including all revisions and updates that replace or supplement the Software or Documentation. These terms govern your use of the Software and Documentation except to the extent that it is subject to conflicting terms in a written license agreement Licensee has executed with Rocket or its Distributor.

1. LICENSE/USE

a. Grant.

Rocket grants to the Customer to whom the Software is first delivered a non-exclusive, non-transferable right to use ("License") the Software and Documentation for which Customer has paid the required License fees, solely for Customer's internal business operations, within the country to which the Software is first provided ("Territory"), according to the Documentation and the EULA. Software is Licensed, not sold, for the time period, number and type of users, transactions, copies, seats, sessions, ports, IP addresses, central processing unit cycles, instructions per second or other quantity or measure specified in an order document and license key with Rocket or Distributor ("Measured License"). Customer may make one copy of the Software for non-production backup purposes. If you are not the original Customer to which Rocket or Distributor delivered the Software, or do not have an executed order document with Rocket or Distributor for the Software, you may not use the Software or Documentation. Your actual use will not decrease (but may increase) the scope of the License granted and the Software fees you owe.

b. Restrictions. You will not: (i) rent, lease, or sublicense the Software, or use the Software as a service bureau or for hosting as an application service provider; (ii) permit any third party to access or use the Software or Documentation; (iii) transfer or use the Software or Documentation outside the Territory; (iv) use the Software except as specified in the Documentation; (v) translate, modify or make derivative works of the Software or Documentation; (vi) reverse engineer, decompile or disassemble the Software, except to the extent this restriction is superseded by local law, after you have disclosed your intended activity in writing to Rocket; (vii) use the

Software in excess of the Measured License that Customer purchased; (viii) use the Software in production if provided under a testing, evaluation, development or other non-production License; (ix) alter the Software's copyright or other intellectual property rights notices; or (x) infringe or misappropriate Rocket's or its licensors' Intellectual Property.

c. Restricted Use. Rocket may provide the Software for evaluation, demonstration or other limited time use ("Restricted Use"). The following terms apply to the Software for Restricted Use. Evaluation is limited to 10 calendar days from the first day Customer has access to the Software ("Restricted Use Period"). Rocket may, at its option, extend the Restricted Use Period. Prior to the end of the Restricted Use Period, Customer must purchase a License for continued use or the Restricted Use Period terminates. A Restricted Use License is not for production use.

d. Verification. Customer will keep accurate records measuring its use of the Software according to the Measured License. Rocket has the right to audit license key usage and Customer's records and operations with reasonable notice, during Customer's usual business hours, to verify Customer's Software use. If Rocket determines that Customer's Software use exceeds the Measured License you purchased, Customer will immediately pay Rocket the current fees for the additional Software use, including arrears for maintenance support fees Rocket reasonably estimates, and reimburse Rocket's reasonable expenses to perform the audit. THE LIMITATION OF LIABILITY SET FORTH IN SECTION 3 DOES NOT APPLY TO CUSTOMER'S SOFTWARE USE EXCEEDING ITS LICENSE OR INFRINGEMENT OR MISAPPROPRIATION OF THE SOFTWARE.

e. Termination. Customer's License will terminate (i) immediately without notice if Customer infringes or misappropriates Rocket's intellectual property in the Software or Documentation or fails to comply with the EULA; or (ii) as specified in the Warranty terms. Upon termination Customer will immediately return or destroy the Software and, upon Rocket's request, provide written certification of destruction.

2. LIMITED WARRANTY

a. Warranty/Remedy. Rocket warrants that the Software will perform substantially according to Rocket's current published technical specifications, when used according to the Documentation, for 90 days from the date Rocket delivers the Software to Customer or your Distributor ("Warranty"). Customer or Distributor must provide a written claim to Rocket within the Warranty period. Rocket will repair or replace Software not conforming to the Warranty, or, at its option, refund the part of the fees paid to Rocket (if any) for the Software, and the Software License terminates. Replacement Software is warranted for the remainder of the original Warranty period. THIS WARRANTY IS ROCKET'S SOLE LIABILITY AND CUSTOMER'S EXCLUSIVE REMEDY FOR A

SOFTWARE CLAIM, ROCKET'S BREACH OF THE AGREEMENT OR ANY OTHER LIABILITY RELATING TO THE SOFTWARE. Except for a refund elected by Rocket, YOU ARE NOT ENTITLED TO ANY DAMAGES, INCLUDING BUT NOT LIMITED TO CONSEQUENTIAL DAMAGES if the Software does not conform under Rocket's limited Warranty, to the maximum extent allowed by law, even if any remedy fails of its essential purpose. NOTWITHSTANDING ANY PROVISION TO THE CONTRARY, ROCKET PROVIDES SOFTWARE FOR RESTRICTED USE ON AN "AS IS" BASIS, WITHOUT SUPPORT, WARRANTY OR INDEMNITY OF ANY KIND. ROCKET IS NOT LIABLE FOR ANY LOSS OR DAMAGES, DIRECT OR INDIRECT, RESULTING FROM USE OR ATTEMPTED USE OF RESTRICTED USE SOFTWARE DURING AND AFTER THE RESTRICTED USE PERIOD.

b. Limitations. Warranty does not cover problems caused by:
(i) abuse, misuse, alteration, enhancements, neglect, accident, unauthorized repair or installation, or acts or omissions of any party other than Rocket, including virus or hacker attacks;
(ii) Customer's hardware, software, networks, systems, content, application programming, servers, materials, scripts, data, or files; (iii) Customer not using Software according to Rocket's current Documentation; (iv) Customer configuration changes; (v) Customer's failure to comply with Rocket's security and upgrade policies; or (vi) circumstances beyond Rocket's reasonable control.

c. Disclaimers. ROCKET AND ITS LICENSORS DISCLAIM ALL OTHER WARRANTIES, REPRESENTATIONS AND GUARANTEES, EXPRESS OR IMPLIED, ORAL OR WRITTEN, FOR DOCUMENTATION AND SOFTWARE, THEIR USE, SUFFICIENCY, RELIABILITY, TIMELINESS, QUALITY, SECURITY, SUITABILITY, TRUTH, COMPLETENESS OR ACCURACY, WHETHER STATUTORY, EXPRESS, IMPLIED, ORAL, WRITTEN OR OTHERWISE, INCLUDING WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT, OR THAT SOFTWARE FUNCTIONS WILL BE UNINTERRUPTED, ERROR FREE, OR OPERATE IN COMBINATION WITH ANY OTHER HARDWARE, SOFTWARE, SYSTEM, OR DATA; THAT RESULTS WILL MEET CUSTOMER'S REQUIREMENTS OR EXPECTATIONS; ERRORS OR DEFECTS WILL BE CORRECTED; OR THE SOFTWARE IS FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS.

3. LIMITATION OF LIABILITY

a. TO THE MAXIMUM EXTENT PERMITTED BY LAW, ROCKET AND ITS LICENSORS WILL NOT BE LIABLE TO ANY PARTY FOR:
(i) CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES; (ii) INTERRUPTION OF BUSINESS OR OPERATIONS, COST OF COVER, GOODWILL, TOLL FRAUD, OR LOSS OF DATA, CONFIDENTIAL INFORMATION, PROFITS, REVENUE, OR PRIVACY; (iii) FAILURE TO MEET ANY DUTY INCLUDING GOOD FAITH OR REASONABLE CARE; (iv) OTHER LOSS RELATED TO USE OF OR INABILITY TO USE THE SOFTWARE, CONTENT THROUGH THE SOFTWARE, OR ARISING OUT OF THIS AGREEMENT;
(v) FAULT, TORT, NEGLIGENCE, MISREPRESENTATION, STRICT LIABILITY, BREACH OF CONTRACT OR BREACH OF WARRANTY OF ROCKET OR ITS LICENSORS; AND EVEN IF ROCKET OR ITS LICENSORS HAVE BEEN

ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

b. The entire liability of Rocket and its licensors under this EULA and your exclusive remedy (including repair or replacement elected by Rocket for the Limited Warranty) is limited to the actual damages you incur up to the amount paid to Rocket for the Software. ROCKET'S FAILURE TO EXERCISE A RIGHT OR REMEDY IS NOT A WAIVER.

4. INTELLECTUAL PROPERTY OWNERSHIP

"Intellectual Property" means all intellectual property, including inventions, patents, copyrights, trademarks, service marks, trade names, trade secrets, know-how, moral rights, licenses, and any other intangible proprietary or property rights, whether or not patentable or otherwise subject to legally enforceable restrictions or protections against unauthorized third party usage or whether arising by statute or common law. Rocket or its licensors own and retain all right, title and interest to and in all Intellectual Property in the Software and Documentation, developments, research data, designs, layout, models, formulae, documents, drawings, plans, specifications and other Rocket information, proprietary materials and all derivative works. To the extent that any right, title or interest in or to any Rocket Intellectual Property may not automatically vest in Rocket by operation of law, Customer irrevocably transfers, assigns and conveys all right, title, and interest therein to Rocket. At Rocket's request and expense Customer will promptly take any action and execute any documents necessary to vest full title in Rocket or its licensors.

5. CONFIDENTIALITY

a. Confidential Information. "Confidential Information" means any material, data or information, in any form or media, that is proprietary or confidential to Rocket and is marked as confidential, or not marked but by its nature or treatment by Rocket should reasonably be considered to be confidential. Confidential Information includes the EULA, Documentation and Software; Rocket's Intellectual Property, specifications, manuals, product roadmaps, financial data, pricing, and results of benchmark tests. Confidential Information does not include information that is: (i) publicly available without breach of the EULA; (ii) reasonably shown to Rocket's satisfaction to have been known by Customer prior to disclosure; (iii) independently developed by Customer prior to Rocket's disclosure without breach of the EULA; or (iv) obtained by Customer from a third party without confidentiality obligation. Software is not deemed to be placed in the public domain by Rocket. Customer will promptly notify Rocket if it is compelled by a court or legal process to disclose Confidential Information and will take any reasonable action requested by Rocket to maintain the

confidentiality of the Confidential Information.

b. Non-disclosure. Customer will use best efforts to prevent disclosure to Rocket of any personally identifiable information (PII) regarding Customer's employees or customers. Customer is solely responsible for complying with any requirements regarding PII disclosed to Rocket. Customer will use Rocket's Confidential Information solely to perform its obligations under the EULA. Customer will take commercially reasonable steps to safeguard Rocket's Confidential Information, including no less than the steps taken to protect its own Confidential Information. Customer will not disclose Rocket's Confidential Information except to its employees bound by written confidentiality obligations no less restrictive than the EULA. Customer must promptly notify Rocket in writing of unauthorized use or disclosure of Confidential Information. Customer, at its expense, must take all reasonable actions to recover Confidential Information and prevent further unauthorized use or disclosure, including action for seizure and injunctive relief. If Customer fails to do so in a timely manner, Rocket may do so at Customer's expense, and Customer will reasonably cooperate.

6. U.S. GOVERNMENT USERS

The Software and Documentation include "Commercial Computer Software" and "Commercial Computer Software Documentation." In accordance with Section 12.212 of the Federal Acquisition Regulations (FAR) and Sections 227.7202-1 through 227.7202-4 of the Defense Federal Acquisition Regulation Supplement (DFARS), any use, duplication or disclosure of the Software or Documentation by the U.S. Government or any of its agencies will be governed by and subject to the EULA. Use of the Software or Documentation is the U.S. Government's agreement that the Software or Documentation includes "commercial computer software" and "commercial computer software documentation" and acceptance of the rights and restrictions in the EULA. If for any reason the Software or Documentation is not considered commercial or the EULA is otherwise deemed not to apply, the Software or Documentation will be deemed to be provided with "Restricted Rights" as defined in FAR 52.227-14(a) and FAR 52.227-14(g)(4) (Alt III), or DFARS 252.227-7014(a)(15) and DFARS 252.227-7014(b)(3), as applicable.

7. MISCELLANEOUS

a. Maintenance Support Service. Rocket will not provide any maintenance support services under this EULA. This EULA does not give you any rights to updates or upgrades to the Software or to any extensions or enhancements to the Software developed by Rocket at any time in the future. Rocket may offer support services separately. Any supplemental software code or related materials that Rocket provides to you as part of maintenance support services are considered to be part of the Software and

are subject to the EULA.

b. Assignment. Customer may not assign this License or its obligations, rights or remedies, in whole or in part, without Rocket's prior written consent in its sole discretion.

c. Compliance with Laws; Export. Customer must comply with U.S., foreign, and international laws and regulations, including without limitation the U.S. Foreign Corrupt Practices Act, U.K. Bribery Act, other anti-corruption laws, U.S. Export Administration and Treasury Department's Office of Foreign Assets Control regulations, and other anti-boycott and import regulations. Customer agrees: (i) that the export, re-export, transfer, re-transfer, sale, supply, access to, or use of the Software to or in a country other than the country in which the Software was first provided to Customer, or to, by, or for a different end user or end use, may require a U.S. or other government license or authorization; and (ii) not to, directly or indirectly, export, re-export, transfer, re-transfer, sell, supply, or allow access to or use of the Software to, in, by, or for sanctioned, embargoed, or prohibited countries, persons, or end uses under U.S. or other law (collectively, "Prohibited Use"). Customer is responsible for screening for Prohibited Use and obtaining any required license or other authorization and shall indemnify Rocket for any violation by Customer of any export control and/or economic sanctions laws and regulations. Rocket may terminate the EULA and Licenses immediately if Rocket determines, in its sole discretion, that Customer has breached, intends to breach, or insists upon breaching any of the terms in this clause.

d. Governing Law. The laws of Massachusetts, USA, govern the EULA, excluding conflict of law principles which would require application of the law of any other jurisdiction. Each party waives the right to jury trial for any legal action, in law or equity. The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act, as adopted, do not apply.

e. EULA Terms. If any EULA term is illegal, invalid, or unenforceable, the other EULA terms remain in full force and effect. Any EULA term that by its nature is intended to survive the EULA expiration or termination will survive. The EULA may be superseded by an agreement executed by both parties.

f. Distributors. If you are a Distributor using Software or Documentation for your own internal use and not for further distribution, you agree to this EULA as an end user according to the references to "Customer" in these terms. Distributors are not authorized to make on behalf of Rocket, and Rocket is not bound by, any representation or warranty made by a Distributor, and Distributor is not authorized as an agent for Rocket.

Excluded Components

The provisions of this paragraph do not apply to the extent they

are held to be invalid or unenforceable under the law that governs this EULA. Notwithstanding any of the terms in the EULA or any other agreement

Licensee may have with Rocket:

(a) the third party suppliers of such Excluded Components, as defined below, (the "Suppliers") provide the components WITHOUT WARRANTIES OF ANY KIND and, such Suppliers DISCLAIM ANY AND ALL EXPRESS AND IMPLIED WARRANTIES AND CONDITIONS INCLUDING, BUT NOT LIMITED TO, THE WARRANTY OF TITLE, NON-INFRINGEMENT OR INTERFERENCE AND THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE EXCLUDED COMPONENTS;

(b) the Suppliers shall not be liable for any direct, indirect, incidental, special, exemplary, punitive or consequential damages, including but not limited to lost data, lost savings, and lost profits, with respect to the Excluded Components; and,

(c) neither Rocket nor the Suppliers shall be liable to Licensee for any claims arising directly or indirectly from or related to the Excluded Components. Notices with respect to the Excluded Components, including instructions for obtaining source code (as applicable) for certain Excluded Components, may be found in the NOTICES file(s) that accompanies the Software.

Licensee use of the Excluded Components is governed by the terms of the EULA and not by any terms that may be found in the NOTICES section below. Please note that future Program updates may contain additional Excluded Components. Such additional Excluded Components, and related notices and information, if any, will be listed in the NOTICES section below

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or

translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such

litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

- a. You must give any other recipients of the Work or Derivative Works a copy of this License; and
- b. You must cause any modified files to carry prominent notices stating that You changed the files; and
- c. You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
- d. If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in

writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

END OF TERMS AND CONDITIONS

The Independent JPEG Group's JPEG software
=====

README for release 6b of 27-Mar-1998
=====

This distribution contains the sixth public release of the Independent JPEG Group's free JPEG software. You are welcome to redistribute this software and to use it for any purpose, subject to the conditions under LEGAL ISSUES, below.

Serious users of this software (particularly those incorporating it into larger programs) should contact IJG at jpeg-info@uunet.uu.net to be added to our electronic mailing list. Mailing list members are notified of updates and have a chance to participate in technical discussions, etc.

This software is the work of Tom Lane, Philip Gladstone, Jim Boucher, Lee

Crocker, Julian Minguillon, Luis Ortiz, George Phillips, Davide Rossi, Guido Vollbeding, Ge' Weijers, and other members of the Independent JPEG Group.

IJG is not affiliated with the official ISO JPEG standards committee.

LEGAL ISSUES

=====

In plain English:

1. We don't promise that this software works. (But if you find any bugs, please let us know!)
2. You can use this software for whatever you want. You don't have to pay us.
3. You may not pretend that you wrote this software. If you use it in a program, you must acknowledge somewhere in your documentation that you've used the IJG code.

In legalese:

The authors make NO WARRANTY or representation, either express or implied, with respect to this software, its quality, accuracy, merchantability, or fitness for a particular purpose. This software is provided "AS IS", and you, its user, assume the entire risk as to its quality and accuracy.

This software is copyright (C) 1991-1998, Thomas G. Lane. All Rights Reserved except as specified below.

Permission is hereby granted to use, copy, modify, and distribute this software (or portions thereof) for any purpose, without fee, subject to these conditions:

(1) If any part of the source code for this software is distributed, then this README file must be included, with this copyright and no-warranty notice unaltered; and any additions, deletions, or changes to the original files must be clearly indicated in accompanying documentation.

(2) If only executable code is distributed, then the accompanying documentation must state that "this software is based in part on the work of the Independent JPEG Group".

(3) Permission for use of this software is granted only if the user accepts full responsibility for any undesirable consequences; the authors accept NO LIABILITY for damages of any kind.

These conditions apply to any software derived from or based on the IJG code, not just to the unmodified library. If you use our work, you ought to acknowledge us.

Permission is NOT granted for the use of any IJG author's name or company name in advertising or publicity relating to this software or products derived from it.

This software may be referred to only as "the Independent JPEG Group's software".

We specifically permit and encourage the use of this software as the basis of commercial products, provided that all warranty or liability claims are assumed by the product vendor.

ansi2knr.c is included in this distribution by permission of L. Peter Deutsch, sole proprietor of its copyright holder, Aladdin Enterprises of Menlo Park, CA. ansi2knr.c is NOT covered by the above copyright and conditions, but instead by the usual distribution terms of the Free Software Foundation; principally, that you must include source code if you redistribute it. (See the file ansi2knr.c for full details.) However, since ansi2knr.c is not needed as part of any program generated from the IJG code, this does not limit you more than the foregoing paragraphs do.

The Unix configuration script "configure" was produced with GNU Autoconf. It is copyright by the Free Software Foundation but is freely distributable. The same holds for its supporting scripts (config.guess, config.sub, ltconfig, ltmain.sh). Another support script, install-sh, is copyright by M.I.T. but is also freely distributable.

It appears that the arithmetic coding option of the JPEG spec is covered by patents owned by IBM, AT&T, and Mitsubishi. Hence arithmetic coding cannot legally be used without obtaining one or more licenses. For this reason, support for arithmetic coding has been removed from the free JPEG software. (Since arithmetic coding provides only a marginal gain over the unpatented Huffman mode, it is unlikely that very many implementations will support it.) So far as we are aware, there are no patent restrictions on the remaining code.

The IJG distribution formerly included code to read and write GIF files. To avoid entanglement with the Unisys LZW patent, GIF reading support has been removed altogether, and the GIF writer has been simplified to produce "uncompressed GIFs". This technique does not use the LZW algorithm; the resulting GIF files are larger than usual, but are readable by all standard GIF decoders.

We are required to state that

"The Graphics Interchange Format(c) is the Copyright property of CompuServe Incorporated. GIF(sm) is a Service Mark property of CompuServe Incorporated."

For the avoidance of doubt, each product which is managed by a unique product version key/packaging license is considered to be a separate product hereunder. A product version key/packaging license identifies a protected trial product and allows the end user to unprotect, unpack and use a protected product. For the avoidance of doubt, the foregoing limitations apply only to your use of the Try and Die functionality and not your use of the Software in general.

3. Use of Try and Buy Functionality. Regardless of the edition licensed, you may internally access and use the functionality labeled "Try and Buy" solely for the purposes of applying the Try and Buy functionality processes and/or restrictions to your products and distributing such products to your end users for trial purposes for a pre-determined period of time. Notwithstanding the foregoing, you agree that the total revenue from your products utilizing the Try and Buy functionality will not exceed US\$15,000,000 and the average sales price of any individual product using the Try and Buy functionality does not exceed US\$2,500. For the avoidance of doubt, each product which is managed by a unique product version key/packaging license is considered to be a separate product hereunder. A product version key/packaging license identifies a protected trial product and allows the end user to unprotect, unpack and use a protected product. The foregoing limitations apply only to your use of the Try and Buy functionality and not your use of the Software in general.

4. Restrictions on Use of Software. You may not
- a. make the Software available for use by others in any service bureau or similar arrangement;
 - b. use or apply the Try and Die or Try and Buy functionality for the benefit of any software products which are not owned by you;
 - c. distribute, sublicense, transfer, or lend the Software to any third party; or
 - d. disassemble or reverse engineer (except in European Union countries, to the extent allowed by law) the Software.

You may copy the Software solely for backup/archival purposes, provided that you include all copyright and similar rights notices. Licensor (or its licensor) retains all right, title, and interest in the Software (and in all copies). Unauthorized copying and modification of the Software is not permitted.

5. Activation Capabilities. Should you elect to access and use the InstallShield Activation Service (which can only be used in conjunction with the Try and Buy functionality of the product), the terms and conditions at

<http://www.installshield.com/cdsouce/redirects/ias/terms.asp> will apply to your use of the service and will supplement your use of the Software hereunder.

6. Shared Use on a Single Computer. Subject to the exceptions set forth herein, a copy of the Software installed on a single common machine may be shared for internal use by your employees, provided that a license has been purchased for each individual user. Notwithstanding the foregoing, the standalone build component of the Software may be installed, reproduced and used on up to ten (10) computers residing on your premises, and a copy of the standalone build component may be shared on a common build/test machine on your premises.
7. Redistributable Files. The Software component parts may not be separated for use on more than one computer, except as set forth in this Agreement. You may copy the files specifically identified in the documentation as "redistributables" and redistribute such files to your end users of your products, provided that:
 - a. such products add primary and substantial functionality to the redistributables,
 - b. all copies of the redistributables must be exact and unmodified; and
 - c. you grant your end users a limited, personal, non-exclusive and non-transferable license to use the redistributables only to the extent required for the permitted operation of your products and not to distribute them further. You will reproduce with the redistributables all applicable trademark and copyright notices that accompany the Software, but you may not use Licensor's name, logos or trademarks to market your products.
8. Limited Warranty and Disclaimer of Warranty. Licensor warrants that:
 - a. it has the right and authority to grant the rights described in this Agreement, and;
 - b. the Software, as provided, will substantially perform the functions described in the documentation when operated in the intended environment for a period of ninety (90) days from the date of delivery (the "Warranty Period").

THE WARRANTIES ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. LICENSOR EXPRESSLY DISCLAIMS ANY WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Licensor does not warrant that the Software will

- a. achieve specific results,
- b. operate without interruption, or

c. be error free.

9. Ownership. This Agreement does not convey to you any rights of ownership in the Software. All right, title, and interest in the Software and in any ideas, know-how, and programs which are developed by Licensor in the course of providing any technical services, including any enhancements or modifications made to the Software, shall at all times remain the property of Licensor or its licensor. You acknowledge and agree that the Software is licensed, not sold. You shall not permit the Software to be accessed or used by anyone other than your employees whose duties require such access or use.

You will not remove, modify or alter any of Licensor's copyright, trademark or proprietary rights notices from any part of the Software, including but not limited to any such notices contained in the physical and/or electronic media or documentation, in the Setup Wizard dialogue or 'about' boxes, in any of the runtime resources and/or in any web-presence or web-enabled notices, code or other embodiments originally contained in or otherwise created by the Software, or in any archival or back-up copies, if applicable.

10. Transfer of Software. You may not, by operation of law or otherwise, transfer any license rights or other interests in Evaluation Software, or Software labeled "Not for Resale" or "NFR." You may not transfer any license rights or other interests in any other Software, unless (a) you permanently and wholly transfer all your rights under this Agreement; (b) you retain no copies (whole or partial); (c) you permanently and wholly transfer all of the Software (including component parts, media, printed materials, upgrades, prior versions, and authenticity certificates); and (d) the transferee agrees to abide by all the terms of this Agreement.

11. Limitation of Remedy and Liability. During the Warranty Period, in the event of any breach of the warranty outlined in Section 8b above, Licensor's (and its suppliers), entire liability and your exclusive remedy will be, at Licensor's option, to either, repair or replace the defective Software.

NEITHER LICENSOR NOR ITS LICENSOR, IF ANY, SHALL BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, OR FOR DAMAGE TO SYSTEMS OR DATA, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. LICENSOR'S LIABILITY FOR DAMAGES HEREUNDER SHALL IN NO EVENT EXCEED THE AMOUNT OF LICENSE FEES THAT YOU HAVE PAID.

For Users Outside of the United States, Canada or Mexico: No person who is not a party to this Agreement shall be entitled to enforce any terms of the same under the Contracts (Rights of Third Parties) Act 1999.

12. Maintenance Services. If ordered by you and upon payment of the applicable fee, you are entitled to receive technical support services, including corrections, fixes and enhancements to the Software as such are made generally available (the "maintenance services") from Licensor in accordance with Licensor's then-current maintenance terms for the applicable

maintenance level purchased by you. Maintenance services will not include any releases of the Software which Licensor determines to be a separate product or for which Licensor charges its customers extra or separately.

13. Upgrades and Subscription. If you purchased a license for the Software which is identified as an "upgrade" or "subscription", you must have a valid license for the version of the Software which the "upgrade" or "subscription" supplements.
14. Dual-Media Software. You may receive the Software in more than one medium (electronic and on a CD, for example). Receipt of the Software in more than a single manner (electronic or on a CD, for example) does not expand the license rights granted to you hereunder. Your use of the Software is limited to the number of licenses that you have acquired overall, regardless of number or type of medium on which it has been provided.
15. U.S. Government Restricted Rights. The Software and Documentation are provided as "Commercial Computer Software" or "restricted computer software". Use, duplication, or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in 48.C.F.R. Section 12.212 or 48 C.F.R 227.2702, as applicable or successor provisions. The manufacturer is Macrovision Corporation, 2830 De La Cruz Boulevard, Santa Clara, CA 95050 USA.
16. U. S. Export Restrictions. You will fully comply with all relevant export laws and regulations, including but not limited to the U.S. Export Administration Regulations and Executive Orders ("Export Controls"). You warrant that you are not a person, company or destination restricted or prohibited by Export Controls ("Restricted Person"). You will not, directly or indirectly, export, re-export, divert, or transfer the Software, any portion thereof or any materials, items or technology relating to Licensor's business or related technical data or any direct product thereof to any Restricted Person.
17. Termination. Your license may be terminated by Licensor if (a) you fail to make payment and/or (b) you fail to comply with the terms of this Agreement within ten (10) days after receipt of written notice of such failure. In the event of termination, you must cease using the Software, destroy all copies of the Software (including copies in storage media) and certify such destruction to Licensor. This requirement applies to all copies in any form, partial or complete. Upon the effective date of any termination, you relinquish all rights granted under this Agreement.
18. Relationship of Parties. You and Licensor are independent parties. Nothing in this Agreement shall be construed as making you an employee, agent or legal representative of Licensor.
19. No Third-Party Beneficiaries. There are no third-party beneficiaries of this Agreement.

20. Controlling Law. This Agreement will be governed by the laws of California, USA, excluding conflicts of law, except that, for Users Outside of the United States, Canada or Mexico, this Agreement will be governed by the laws of England and Wales and you submit to the jurisdiction of the courts of England and Wales. This Agreement is not subject to the United Nations Convention on Contracts for the Sale of Goods.
21. Company Name. Licensor may include your company name in a list of Licensor customers.
22. Payment Terms/Shipments. All fees are in US Dollars and are non-refundable. For Users Outside of the United States, Canada or Mexico: All fees are in the currency outlined in the quote/invoice and are non-refundable. Fees are due within 30-days of the date of the invoice. Maintenance services purchased may be renewed for the next two annual periods for the amount specified on the original invoice for the Software. All shipments of any media will be FOB Origin.
23. Taxes. All fees do not include taxes. If Licensor is required to pay any sales, use, GST, VAT, or other taxes in connection with your order, other than taxes based on Licensor's income, such taxes will be billed to and paid by you.
24. Entire Agreement. This Agreement constitutes the complete and entire understanding and agreement of all terms, conditions and representations between you and Licensor with respect to the Software and may be modified only in writing by both parties. No term or condition contained in your purchase order will apply unless expressly accepted by Licensor in writing. Failure to prosecute a party's rights will not constitute a waiver of any other breach.

If any provision of this Agreement is found to be invalid, it will be enforced to the extent permissible and the remainder of this Agreement will remain in full effect. This Agreement has been written in the English language and you waive any rights you may have under the law of your country or province to have this Agreement written in any other language.

IF YOU COMPLY WITH THESE LICENSE TERMS, YOU HAVE THE PERPETUAL RIGHTS BELOW.

1. INSTALLATION AND USE RIGHTS.

- a. Installation and Use. You may install and use any number of copies of the software to design, develop and test your programs. You may modify, copy, distribute or deploy any .js files contained in the software as part of your programs.
- b. Third Party Programs. The software may include third party programs that Microsoft, not the third party, licenses to you under this agreement. Notices, if any, for the third party program are included for your information only.

2. ADDITIONAL LICENSING REQUIREMENTS AND/OR USE RIGHTS.

- i. Right to Use and Distribute.

- * You may copy and distribute the object code form of the software.
- * Third Party Distribution. You may permit distributors of your programs to copy and distribute the Distributable Code as part of

those programs.

b. Distribution Requirements. For any Distributable Code you distribute, you must

- * use the Distributable Code in your programs and not as a standalone distribution;
- * require distributors and external end users to agree to terms that protect it at least as much as this agreement;
- * display your valid copyright notice on your programs; and
- * indemnify, defend, and hold harmless Microsoft from any claims, including attorneys' fees, related to the distribution or use of your programs.

c. Distribution Restrictions. You may not

- * alter any copyright, trademark or patent notice in the Distributable Code;
 - * use Microsoft's trademarks in your programs' names or in a way that suggests your programs come from or are endorsed by Microsoft;
 - * include Distributable Code in malicious, deceptive or unlawful programs; or
 - * modify or distribute the source code of any Distributable Code so that any part of it becomes subject to an Excluded License. An Excluded License is one that requires, as a condition of use, modification or distribution, that
 - * the code be disclosed or distributed in source code form; or
 - * others have the right to modify it.
- * SCOPE OF LICENSE. The software is licensed, not sold. This agreement only gives you some rights to use the software. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not
- * work around any technical limitations in the software;
 - * reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;

- * publish the software for others to copy;

- * **DOCUMENTATION.** Any person that has valid access to your computer or internal network may copy and use the documentation for your internal, reference purposes.
- * **EXPORT RESTRICTIONS.** The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting
- * **SUPPORT SERVICES.** Because this software is "as is," we may not provide support services for it.
- * **ENTIRE AGREEMENT.** This agreement, and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the software and support services.
- * **APPLICABLE LAW.**
- a. **United States.** If you acquired the software in the United States, Washington state law governs the interpretation of this agreement and applies to claims for breach of it, regardless of conflict of laws principles. The laws of the state where you live govern all other claims, including claims under state consumer protection laws, unfair competition laws, and in tort.
 - b. **Outside the United States.** If you acquired the software in any other country, the laws of that country apply.
- * **LEGAL EFFECT.** This agreement describes certain legal rights. You may have other rights under the laws of your country. You may also have rights with respect to the party from whom you acquired the software. This agreement does not change your rights under the laws of your country if the laws of your country do not permit it to do so.
- * **DISCLAIMER OF WARRANTY.** THE SOFTWARE IS LICENSED "AS-IS." YOU BEAR THE RISK OF USING IT. MICROSOFT GIVES NO EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS. YOU MAY HAVE ADDITIONAL CONSUMER RIGHTS OR STATUTORY GUARANTEES UNDER YOUR LOCAL LAWS WHICH THIS AGREEMENT CANNOT CHANGE. TO THE EXTENT PERMITTED UNDER YOUR LOCAL LAWS, MICROSOFT EXCLUDES THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

FOR AUSTRALIA – YOU HAVE STATUTORY GUARANTEES UNDER THE AUSTRALIAN CONSUMER LAW AND NOTHING IN THESE TERMS IS INTENDED TO AFFECT THOSE RIGHTS.

- * LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES. YOU CAN RECOVER FROM MICROSOFT AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO U.S. \$5.00. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.

- * claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages. ----- Summary of some of the amendments covered in this Agreement: • Licenses granted are perpetual. They do not expire when your subscription does -- certain restrictions apply (see Article 7). • Licensed users get unlimited, royalty-free distribution rights. Distribution rights are applicable only if complete product/project/application is developed under an active subscription. • Rights to audit: Xceed can request Licensee to provide appropriate documentation on the use of Xceed Licenses and products.

This License Agreement ("Agreement") is a legal agreement between Xceed Software

Inc. ("Xceed"), a Quebec corporation, principally located in Longueuil, Quebec, Canada and you, the user, either an individual or a single entity ("Licensee"), is effective the date Licensee installs, downloads, copies or

otherwise Uses, in whole or in part, the specific version of the Xceed software product (the "Software") that this agreement was included with.

Herein, "Use", "Uses" or "Used" means to access any of the files that are included with the Software, to develop an application that makes use of the Software, to consult any of the documentation included with the Software, or to otherwise benefit from using the Software, either directly, or indirectly through a software wrapper around the Software.

In this Agreement, the terms "develop", "developer", "software developer", "development" and "developing" include any facet of the software development process (such as researching, designing, testing or implementing/coding) that requires a person to have the Software installed on their computer.

The Software is licensed, not sold. Licensee is considered to be an "Authorized" Licensee for a specific version of the Software if Licensee has legitimately obtained a license key for that version from Xceed as a result of purchasing a subscription for the Software from Xceed or from an authorized reseller.

1. GRANT OF INSTALL LICENSE

Xceed grants Licensee royalty-free, non-exclusive license to install the Software on an unlimited number of computers at Licensee's premises and on portable computers operated solely by Licensee. If Licensee is Authorized, the granted installation license is perpetual.

2. GRANT OF DEVELOPMENT LICENSE

If Licensee is Authorized, Xceed grants Licensee a perpetual, royalty-free, non-exclusive license to Use the Software on a single computer at any given time for the sole purpose of developing any number of end user applications that operate in conjunction with the Software. If Licensee is evaluating the software as part of a "free trial", Xceed grants Licensee a 45-day, royalty-free, non-exclusive license to Use the Software for the purpose of developing end user applications that operate in conjunction with the Software.

The license rights granted under this Agreement do not apply to development or distribution of: (1) software development products or toolkits of any kind, including but not limited to any class libraries, components, controls, XML web services, cloud services, compilers, plug-ins, adapters, DLLs, APIs or SDKs destined to be used by software developers other than licensees that are Authorized; and (2)

Page 3 of 10

software to be licensed or distributed under an open source model, including, without limitation, models similar to Microsoft Public License, GNU's General Public License (GPL), Lesser GPL, the Artistic License (e.g., PERL), the Mozilla Public License, the Netscape Public License, the Sun Community or Industry Source License or the Apache Software license.

If Licensee is Authorized and has purchased a "team" or other multi-license subscription, the Software may be Used on more than one computer at Licensee's premises by the number of software developers associated with the team or multi-license subscription (e.g. a "Team 4" or "4-developer" subscription allows up to four software developers to Use the Software at Licensee's premises).

At the time of the original acquisition of a license as well as after (at the time

of renewing a subscription), Licensee must provide Xceed with the following information for at least one(1) Technical Contact person, one (1) "Administration" Contact person responsible for ordering and account management, and one (1) Contact person for payment/invoice processing. It is the responsibility of Licensee to keep this list of Contact persons up to date at all time -- with their respective, current information as follows: First and Last Name, Title, Department, Phone Number with extension when applicable, email address, complete physical address (office).

If Licensee is Authorized and has purchased a "site" subscription, the Software may be Used by any number of software developers on any number of computers in a single physical building at Licensee's premises. If Licensee is Authorized and has purchased an "enterprise" subscription, the Software may be Used by any number of software developers on any number of computers located at any of the Licensee's premises.

3. GRANT OF DUPLICATION AND DISTRIBUTION LICENSE

The Software includes certain runtime libraries and binary files intended for duplication and distribution by a Licensee that is Authorized. These runtime libraries and binary files are specifically identified in the "Redistributable Files" section of the documentation included with the Software (herein, "Redistributable Files"). If taking advantage of this Article, Licensee must have a valid, paid for subscription or be compliant with Article 7 to be Authorized. If Licensee is Authorized, Xceed grants Licensee a perpetual, royalty-free, non-exclusive license to duplicate the Redistributable Files and to distribute them solely in conjunction with software products developed by Licensee. If Licensee's original subscription has been acquired after June 01, 2019, the

Page 4 of 10

maximum number of Redistributable Files to be distributed to users or end-users shall be limited to one hundred (100), unless otherwise agreed upon by both parties in writing. This restriction (i.e. a maximum of 100 users) does not apply to Licensees with a subscription acquired prior to June 01, 2019 that has been renewed in time (annually) after the original acquisition.

If Licensee is Authorized, Xceed grants Licensee a perpetual, royalty-free, non-exclusive license to duplicate the Redistributable Files and to distribute them solely in conjunction with software products developed by Licensee.

The foregoing license is subject to certain conditions, rules and restrictions, including the following:

- . If Licensee distributes the Redistributable Files, Licensee agrees to:
 - (i) not supply an Xceed license key to end users, except if it is embedded in Licensee's product's object or intermediate code;
 - (ii) not use Xceed's name, logo or trademarks to market a software product;
 - (iii) include a copyright notice on Licensee's software product;
 - (iv) indemnify, hold harmless, and defend Xceed from and against any claims or lawsuits, and reasonable attorney's fees, that arise or result from the use and distribution of Licensee's software product;
 - (v) not permit further distribution of the Redistributable Files by end user(s) of Licensee's software product; and
 - (vi) distribute only products/projects/applications that were created and completed under an active subscription.

. Licensee agrees and acknowledges that, should any of these conditions not be respected, it will constitute a material breach of agreement and terminate the

license immediately.

. NOTE: Distribution and/or re-distribution rights are provided to Licensees with a valid, active (paid for) subscription. In the case of subscriptions not renewed for the current period of use, distribution and/or re-distribution rights will be automatically revoked and deemed illegal without any further action from Xceed.

4. GRANT OF SOURCE CODE USE LICENSE

Page 5 of 10

The source code to the Software ("Source Code") is provided to the Licensee by Xceed, in a separate installation package, provided that Licensee has legitimately obtained a "Blueprint Subscription" for the Software from Xceed or an authorized reseller (Licensee is then considered "Blueprint Authorized"). If some portions of the Software's source code are not provided, they are generally listed in the "Source Code Information" topic in the documentation included with the Software. If Licensee is Blueprint Authorized, Xceed grants Licensee the non-exclusive license to view and modify the Source Code for the sole purposes of education, trouble-shooting, and customizing features. If Licensee modifies the Source Code, Licensee may compile the modified Source Code and use and distribute the resulting object code solely as a replacement for the corresponding Redistributable Files the Source Code normally compiles into.

The foregoing license is subject to the following conditions: (i) Xceed shall retain all rights, title and interest in and to all corrections, modifications and derivative works of the Source Code created by Licensee, including all copyrights subsisting therein, to the extent such corrections, modifications or derivative works contain copyrightable code or expression derived from the Source Code; (ii) Licensee may not distribute or disclose the Source Code, or any portions or modifications or derivative works thereof, to any third party, in source code form; (iii) Licensee acknowledges that the Source Code contains valuable and proprietary trade secrets of Xceed, and agrees to take reasonable measures to help insure its confidentiality; (iv) Under no circumstances may the Source Code be used, in whole or in part, as the basis for creating a product that provides the same, or substantially the same, functionality as any Xceed product; (v) If Licensee distributes a compiled version of the modified Source Code or portions thereof, Licensee must distribute it in accordance with the conditions listed in section 3 ("GRANT OF DUPLICATION AND DISTRIBUTION LICENSE") regarding the distribution of Redistributable Files; and (vi) Licensee will not request technical support or error corrections from Xceed on issues arising out of any modifications of the Source Code.

Licensee shall not be considered liable for any 3rd party malicious attempts to directly or indirectly acquire the Source Code by decompiling, disassembling or otherwise reverse engineering the Software.

5. SAMPLE CODE LICENSE

In addition to the licenses granted above, Xceed grants Licensee the non-exclusive license to Use, copy and modify the source code version of those portions of the Software identified as "Samples" or "Sample

Page 6 of 10

Code" or "Sample applications" ("Sample Code") for the sole purposes of designing, developing, and testing Licensee's software product(s). If Licensee is Authorized, Licensee may distribute any software products developed by Licensee that contain the Sample Code or modifications thereof.

The foregoing license is subject to the following condition: Licensee agrees to (i)

not use Xceed's name, logo, or trademarks to market their software product(s); (ii) include a valid copyright notice on all copies of the Sample Code and any derivative works thereof; (iii) to indemnify and hold harmless Xceed from and against any claims or lawsuits, including attorneys' fees, that arise from or result from the use, copying, modification or distribution of the Sample Code and/or derivative works thereof, and (iv) not permit further distribution of the Sample Code and/or derivative works by third parties.

6. CUSTOMIZATION CODE LICENSE

Certain portions of The Software may be identified as "Customization Code" and provided in source code form ("Customization Code"). Licensees that are not Authorized may not modify or redistribute

Customization Code. Licensees that are Authorized must treat Customization Code as "Source Code" as described in section 4 ("GRANT OF SOURCE CODE USE LICENSE") and the Customization Code is subject to the same terms and conditions listed therein, with the exception that the non-exclusive license in paragraph 2 of that section is granted to Licensee that is Authorized even if Licensee is not Blueprint Authorized.

7. SUBSCRIPTION A subscription is included in all licenses granted and begins at the time of the License activation. Subscriptions provide access to any new version or update or release of the component or components under the license for the period of the subscription. A subscription grants access to any new component added to a suite during the subscription period. A subscription provides unlimited expert priority support by the Xceed support team. Failure to maintain an active subscription will result in an interdiction for Licensee to create, modify and/or distribute existing or new products/projects/applications using Xceed software: more specifically, changing, updating or modifying in any manner the said products/projects/applications (in which Xceed components are used) becomes automatically prohibited after the expiration of a subscription if this subscription is not renewed in time. If Licensee wishes to continue using Xceed components while satisfying the above-mentioned restrictions (i.e. no changes, updates or modifications in any manner to the said products/projects/applications in which Xceed components are used), Licensee must advise Xceed of its intention to do so at least thirty (30) days prior to the expiration of Licensee's then-current subscription(s). Failure to abide by this rule will put Licensee in default and automatically void all Licensee's rights on further use of Xceed software. Moreover, in such a case, Licensee agrees that Xceed shall be entitled to issue an invoice for a 1-year renewal subscription at then-prevailing rates for

Page 7 of 10

Licensee's subscription(s) about to expire or expired. Licensee understands that such invoice must be paid as per the usual terms of payment. Some situations may give way to an exemption to the rule that applies in regard to the number of developers using programs/projects/applications in which our software is used. Licensee must inquire (Sales@Xceed.com) to get an exemption. Xceed will advise Licensee if an exemption is possible after receiving Licensee's request.

8. BACK-UP AND TRANSFER

Licensee may make copies of the Software solely for "back-up" purposes, as prescribed by Canadian, United States, and international copyright laws. Licensee must reproduce and include the copyright notice on the back-up copy. Licensee may transfer the Software to another party only if the other party agrees to the terms and conditions of the Agreement, and completes and returns registration information

(name, address, etc.) to Xceed within 30 days of the transfer. Upon transferring the Software to another party, Licensee must terminate this Agreement by following the instructions in the "AGREEMENT TERMS" section below.

9. REVERSE-ENGINEERING

Licensee acknowledges that the Software, in source code form, remains a confidential trade secret of Xceed and/or its suppliers and therefore Licensee agrees that it shall not modify, decompile, disassemble or reverse engineer the Software or attempt to do so, except as otherwise permitted in this agreement. Licensee agrees to refrain from disclosing the Software and to take reasonable measures with its employees, sub-contractors and suppliers to ensure they do not disclose the Software to any other person, firm or entity except as expressly permitted herein.

10. RESTRICTIONS

Licensee may not use, copy, modify, translate, or transfer the Software, documentation, license key, or any of the files included with the Software except as expressly defined in this agreement. Licensee may not attempt to unlock or bypass any "copy-protection", licensing or authentication algorithm utilized by the Software. Licensee may not remove or modify any copyright notice, nor any "About" dialog or the method by which it may be invoked. Licensee may not rent or lease the Software. Violations will be prosecuted to the maximum extent possible under the law.

Page 8 of 10

Xceed reserves the right to cancel, revoke or terminate any License or subscription if Licensee fails to respect the rules and obligations set forth in this Agreement, in particular if Licensee or any "user" of Xceed software does not comply with Article 7.

11. LIABILITY DISCLAIMER

The Software is provided as is, without any representation or warranty of any kind, either express or implied, including without limitation any representations or endorsements regarding the use of, the results of, or performance of the product, its appropriateness, accuracy, reliability, or correctness. The entire risk as to the use of this product is assumed by Licensee. Xceed does not assume liability for the use of the Software beyond its original purchase price. In no event will Xceed be liable for additional direct or indirect damages including any lost profits, lost savings, or other special, incidental or consequential damages arising from any defects, or the use or inability to use the Software, even if Xceed has been advised of the possibility of such damages.

The Licensee (or would-be Licensee) and its representatives commits to certify that they have taken advantage or have been offered the opportunity of a free 45-day Trial in order for them to test all essential functions and conditions required by the Licensee (or would-be Licensee) and its applications/objectives.

The Licensee (or would-be Licensee) and its representatives acknowledge that, before ordering an Xceed product, they have completed all the research, tests and other pre-requisites. They also confirm that they have read this Agreement and understand that no reimbursement of any kind is or will be available after ordering.

12. EXPORT LAW

Licensee acknowledges and agrees that the Software may be subject to export restrictions and controls. Licensee agrees and certifies that neither the Software nor any direct product thereof (e.g. any application software product developed by

Licensee that uses the Software) is being or will be acquired, shipped, transferred, exported or re-exported, directly or indirectly, into any country prohibited by U.S. or Canadian export restrictions and controls. Licensee bears all responsibility for export law compliance and will indemnify Xceed against all claims based on Licensee's exporting the Software. 13. AUDIT RIGHTS

Page 9 of 10

Licensee hereby grants Xceed the right to request an audit on Licensee's use of Xceed products whenever requested by Xceed, with a maximum of two requests per subscription term. Xceed shall give Licensee a two-week written notice to verify Licensee's compliance with the current Agreement. Licensee shall keep adequate records in order to demonstrate the correct use of Xceed software as per the rules and restrictions of this Agreement. Would Licensee not be able to demonstrate its compliance to this Agreement, or should Licensee refuse or fail to provide Xceed with appropriate records and evidence, Xceed shall have the right to terminate the current Agreement and any subscription upon a written notice. Licensee shall not be entitled to any reimbursement or any compensation of any type.

14. AGREEMENT TERMS

This Agreement is effective until terminated. This Agreement will terminate if Licensee fails to comply with any terms or conditions of this Agreement. Upon such termination, or to terminate this agreement intentionally, Licensee must delete the Software from all its systems and storage media, and recall and delete any Redistributable Files Licensee may have distributed.

15. PARTIES BOUND

If Licensee is executing this Agreement on behalf of an entity, then Licensee represents that he or she has the authority to execute this agreement on behalf of such entity.

16. COPYRIGHT

The Software is Copyright ©1994-2018 Xceed Software Inc., all rights reserved. The Software is protected by Canadian and United States copyright laws, international treaties and all other applicable national or international laws.

17. OTHER RIGHTS AND RESTRICTIONS

Except for the limited licenses granted herein, Xceed retains exclusive ownership of all proprietary rights (including all ownership rights, title and interest, and including moral rights in jurisdictions where applicable) in and to the Software. Licensee agrees not to represent that Xceed is affiliated with or approves of Licensee's software product(s) in any way.

18. GENERAL

This Agreement shall be interpreted, construed, and enforced according to the laws of the Province of Quebec, Canada. In the event of any action under this Agreement, the parties agree that federal and

Page 10 of 10

provincial courts located in Longueuil, Quebec will have exclusive jurisdiction and that a suit may only be brought in Longueuil, Quebec and Licensee submits itself for the jurisdiction and venue of the provincial and federal courts located in Longueuil, Quebec.

If any portion of this Agreement is determined to be legally invalid or unenforceable, such portion will be severed from this Agreement and the remainder of the Agreement will continue to be fully enforceable and valid.

YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, THAT YOU UNDERSTAND IT IN ITS ENTIRETY AND THAT, BY ACQUIRING AN XCEED LICENSE AND/OR INSTALLING, DOWNLOADING,

IT MAY BE MODIFIED AT ALL TIME BY XCEED WITHOUT PRIOR NOTICE AS LONG AS THE LATEST APPLICABLE VERSION IS MADE AVAILABLE ON XCEED'S WEB SITE. NO OFFICER, SALESMAN OR AGENT HAS ANY AUTHORITY TO OBLIGATE XCEED BY ANY TERMS, STIPULATIONS OR CONDITIONS NOT EXPRESSED IN THIS AGREEMENT.

END OF NOTICES for Rocket SB/XA v6.5

1. LICENSE; USE OF SOFTWARE FOR EVALUATION

1.1 Grant. "Evaluation Software" means Rocket software products and related documentation provided to Licensee and listed on the Evaluation Testing Schedule attached as Exhibit A. Rocket grants to Licensee, subject to the terms of this Agreement, a temporary, royalty-free, non-transferable, non-exclusive right to use Evaluation Software for testing and evaluation purposes only ("License"). Rocket may provide Licensee access to the Evaluation Software or its functionality for installation at Licensee's site, or on a hosted software-as-a-service (SaaS) basis, in Rocket's discretion. Rocket has no obligation to provide additional versions of Evaluation Software or to make any changes or improvements to Evaluation Software. Rocket has no obligation to provide maintenance or support for Evaluation Software. Licensee's License for Evaluation Software is limited to 10 calendar days from the first day Licensee has access to the Evaluation Software. Rocket may, at its option, extend the period in writing. Licensee grants Rocket a royalty-free, worldwide, perpetual license to use and incorporate into Rocket products any suggestion, idea, enhancement, feedback, recommendation or other information Licensee provides relating to Evaluation Software.

1.2 Restrictions. Licensee will not: permit any third party to access or use Evaluation Software, except for Licensee's employees testing and evaluating Evaluation Software according to the Agreement; transfer or use Evaluation Software to or in a country other than that to which Rocket first provides it; reverse engineer, decompile or disassemble Evaluation Software; exceed the time period for the License; use Evaluation Software in production; or, infringe or misappropriate Rocket's or its licensors' Intellectual Property.

1.3 Use. Licensee will define and perform tests to determine suitability of Evaluation Software for use in Licensee's internal business operations and environment. Licensee will use reasonable efforts to provide written test and evaluation information to Rocket relating to the Evaluation Software,

including reporting test results and deficiency information to Rocket in writing, recommending modifications, improvements, corrections, suggested alterations and additions, and consulting with Rocket in reviewing and analyzing representative data. Licensee will not include Licensee's Confidential Information in test and evaluation information it provides to Rocket.

1.4. Data. Licensee may use generic, generally available data or Licensee proprietary information and data ("Licensee Data") as an example for testing purposes, however, Licensee should use generic data for SaaS evaluation and testing. Licensee Data that Licensee uses for SaaS evaluation and testing will not be encrypted or treated as Confidential Information. Licensee's use of Licensee Data is at its own risk and Rocket is not responsible or liable for Licensee Data. Licensee grants Rocket a non-exclusive, nontransferable license to copy, store, transmit and display Licensee Data as necessary to provide SaaS evaluation testing to Licensee on a hosted basis. Licensee represents and warrants that Licensee Data will not violate third party rights or applicable law. Rocket is not responsible or liable for storing or backing up Licensee Data; transmission of Licensee Data, Licensee's failure to back up or store Licensee Data, or deletion, correction, destruction, damage to or loss of Licensee Data, other than to maintain commercially reasonable safeguards for Evaluation Software provided on a hosted basis. Rocket may, in its sole discretion, remove, discard or store Licensee Data, or delete hosted Licensee Data and terminate the License, without notice.

2. INTELLECTUAL PROPERTY OWNERSHIP

Rocket owns and retains all right, title and interest to and in all intellectual property in Evaluation Software, including without limitation, inventions, patents, copyrights, trademarks, service marks, trade names, trade secrets, know-how, moral rights, licenses, developments, research data, designs, layout, models, formulae, documents, drawings, plans, specifications and other Rocket information, proprietary materials and all derivative works, and any other intangible proprietary or property rights therein, whether or not patentable or otherwise subject to legally enforceable restrictions or protections against unauthorized third party use, or whether arising by statute or common law. To the extent that any right, title or interest in or to any Rocket's intellectual property in Evaluation Software may not automatically vest in Rocket by operation of law, Licensee irrevocably transfers, assigns and conveys all right, title, and interest therein to Rocket. At Rocket's request and expense Licensee will promptly take any action and execute any documents necessary to vest full title in Rocket or its licensor.

3. CONFIDENTIALITY

3.1 Confidential Information. "Confidential Information" means any material, data, or information, in any form or media, that is proprietary or confidential to a party and is marked as confidential, or not marked but by its nature or treatment by its owner should reasonably be considered to be confidential. Confidential Information includes without limitation the Agreement and Evaluation Software; Rocket's intellectual property, specifications, manuals, product roadmaps, and results of benchmark tests. Confidential Information does not include information that is (i) publicly available without breach of the Agreement; (ii) reasonably shown to disclosing party's satisfaction to have been known by receiving party prior to disclosure or independently developed by receiving party subsequent to disclosure without breach of these terms; or (iii) obtained by receiving party from a third party without confidentiality obligation. Evaluation Software is not deemed to be placed in the public domain by Rocket. Receiving party will promptly notify disclosing party if it is compelled by a court or legal process to disclose Confidential Information and will take any reasonable action requested by disclosing party to maintain the confidentiality of the Confidential Information.

3.2 Non-disclosure. Licensee will prevent disclosure to Rocket of any personally identifiable information (PII) regarding Licensee's employees or customers. Licensee is solely responsible for complying with any requirements regarding its PII. Receiving party will use disclosing party's Confidential Information solely to perform its obligations under the Agreement. Receiving party will take commercially reasonable steps to safeguard disclosing party's Confidential Information, including no less than the steps taken to protect its own Confidential Information. Receiving party must not disclose disclosing party's Confidential Information except to its employees bound by written confidentiality obligations no less restrictive than these terms. Receiving party must promptly notify disclosing party in writing of unauthorized use or disclosure of Confidential Information. Receiving party, at its expense, must take all reasonable action to recover disclosing party's Confidential Information and prevent further unauthorized use or disclosure, including action for seizure and injunctive relief. If receiving party fails to do so in a timely manner, disclosing party may take reasonable action to do so at receiving party's expense, and receiving party must reasonably cooperate. These provisions will survive with regard to disclosing party's Confidential Information as long as it is in the possession of receiving party.

4. WARRANTY DISCLAIMER

LICENSEE ACKNOWLEDGES THAT EVALUATION SOFTWARE IS PROVIDED SOLELY FOR EVALUATION USE AND TESTING, AND THAT EVALUATION SOFTWARE MAY HAVE DEFECTS OR DEFICIENCIES WHICH CANNOT OR WILL

NOT BE CORRECTED BY ROCKET. NOTWITHSTANDING ANY OTHER PROVISION, EVALUATION SOFTWARE IS PROVIDED "AS IS", "AS-AVAILABLE", WITHOUT WARRANTY, REPRESENTATION OR INDEMNITY OF ANY KIND, EXPRESS, IMPLIED, ORAL, WRITTEN, STATUTORY, OR OTHERWISE, INCLUDING WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PURPOSE, OR NON-INFRINGEMENT; OR FOR THE USE, SUFFICIENCY, RELIABILITY, TIMELINESS, QUALITY, SECURITY, SUITABILITY, TRUTH, AVAILABILITY, COMPLETENESS OR ACCURACY OF EVALUATION SOFTWARE. ROCKET IS NOT LIABLE FOR LOSS OF DATA OR ANY DAMAGES, DIRECT OR INDIRECT, RESULTING FROM USE OR ATTEMPTED USE OF EVALUATION SOFTWARE, THROUGH AND AFTER THE EVALUATION TESTING PERIOD. ROCKET DISCLAIMS LIABILITY FOR ANY PARTY'S ACT OR OMISSION IN USE OF OR RELIANCE UPON EVALUATION SOFTWARE, OR THAT THE QUALITY OF ANY INFORMATION, DATA, RESULTS OR MATERIAL OBTAINED THROUGH EVALUATION SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS OR EXPECTATIONS; ERRORS OR DEFECTS WILL BE CORRECTED; OR THE SERVICE OR SERVER USED TO PROVIDE HOSTED SERVICE IS FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. HOSTED SERVICE MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS. ROCKET IS NOT RESPONSIBLE FOR RESULTING DELAYS, DELIVERY FAILURE, OR DAMAGES. LICENSEE HAS SOLE RESPONSIBILITY FOR FULFILLING ANY REQUIREMENTS OR ACCOMPLISHING ANY OBJECTIVES FOR WHICH LICENSEE USES EVALUATION SOFTWARE.

5. LIMITATION OF LIABILITY

5.1 ROCKET IS NOT LIABLE FOR ANY (i) CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES, (ii) INTERRUPTION OF BUSINESS OR OPERATIONS, COST OF COVER, GOODWILL, OR LOST DATA, PROFITS OR REVENUE, OR FAILURE OF A REMEDY TO ACHIEVE ITS ESSENTIAL PURPOSE. 5.2 EXCEPT FOR A CLAIM FOR DEATH OR BODILY INJURY, TANGIBLE PROPERTY DAMAGE, WILLFUL MISCONDUCT OR FRAUD, ROCKET IS NOT LIABLE FOR ANY DAMAGES THAT EXCEED THE AMOUNT LICENSEE PAID FOR THE EVALUATION SOFTWARE THAT GAVE RISE TO THE CLAIM.

5.3 THE LIMITATIONS IN SECTIONS 4 AND 5 APPLY TO ANY DAMAGES, HOWEVER CAUSED, UNDER ANY THEORY OF LIABILITY, WHETHER FOR BREACH OF CONTRACT, TORT, MISREPRESENTATION, NEGLIGENCE, USE OR PERFORMANCE OF EVALUATION SOFTWARE, OR OTHERWISE, AND REGARDLESS OF WHETHER DAMAGES WERE FORESEEABLE OR UNFORESEEABLE. ROCKET IS NOT LIABLE FOR ANY CLAIM BROUGHT MORE THAN 12 MONTHS AFTER LICENSEE BECAME AWARE OF THE ISSUE GIVING RISE TO THE CLAIM. ROCKET'S FAILURE TO EXERCISE A RIGHT OR REMEDY IS NOT A WAIVER. SECTIONS 4 AND 5 DESCRIBE ROCKET'S SOLE WARRANTY AND LIABILITY FOR EVALUATION SOFTWARE.

6. TERM AND TERMINATION

This Agreement is effective on the Effective Date specified

above, and continues until the first to occur: (i) the expiration of the period specified in Section 1.1 above; (ii) Licensee's purchase of Rocket's commercial release of the Evaluation Software; or (iii) the date of Rocket's written termination notice. Upon termination Licensee will immediately return or destroy Evaluation Software and, upon Rocket's request, provide written certification of such destruction.

7. COMPLIANCE WITH LAWS; EXPORT.

Licensee must comply with U.S., foreign, and international laws and regulations, including without limitation the U.S. Export Administration and Treasury Department's Office of Foreign Assets Control regulations, and other anti-boycott and import regulations.

Licensee agrees: (i) that the export, re-export, transfer, re-transfer, sale, supply, access to, or use of Evaluation Software to or in a country other than the country in which the Evaluation Software was first provided to Licensee, or to, by, or for a different end user or end use, may require a U.S. or other government license or other authorization; and (ii) not to, directly or indirectly, export, re-export, transfer, re-transfer, sell, supply, or allow access to or use of Evaluation Software to, in, by, or for sanctioned, embargoed, or prohibited countries, persons, or end uses under U.S. or other applicable law (collectively, "Prohibited Use"). Licensee is responsible for screening for Prohibited Use and obtaining any required licenses or other authorizations and shall indemnify Rocket for any violation by Licensee of any applicable export controls and/or economic sanctions laws and regulations. Rocket may terminate the Agreement and License immediately if Rocket determines, in its sole discretion, that Licensee has breached, intends to breach, or insists upon breaching any of the provisions in this clause.

8. U.S. GOVERNMENT USERS

Evaluation Software includes "Commercial Computer Software" and "Commercial Computer Software Documentation." In accordance with Section 12.212 of the Federal Acquisition Regulations (FAR) and Sections 227.7202-1 through 227.7202-4 of the Defense Federal Acquisition Regulation Supplement (DFARS), any use, duplication or disclosure of Evaluation Software by the U.S. Government or any of its agencies will be governed by and subject to all of the terms, conditions, restrictions, and limitations of the Agreement. Use of Evaluation Software is agreement by the U.S. Government that Evaluation Software includes "commercial computer software" and "commercial computer software documentation" and is acceptance of the rights and restrictions in the Agreement. If for any reason Evaluation Software is not considered commercial or the Agreement terms are otherwise deemed not to apply, the Evaluation Software will be

deemed to be provided with "Restricted Rights" as defined in FAR 52.227-14(a) and FAR 52.227-14(g)(4) (Alt III), or DFARS 252.227-7014(a)(15) and DFARS 252.227-7014(b)(3), as applicable.

9. MISCELLANEOUS.

9.1 Integration. The Agreement sets forth the entire agreement of the parties and supersedes all prior oral and written agreements and understandings with respect to its subject matter. No waiver or modification of any provision of the Agreement is binding unless in writing signed by both parties. If a provision of the Agreement is invalid, illegal or unenforceable, it will not affect any other provision of the Agreement. The Agreement may not be assigned by Licensee.

9.2 Notice. Notice or approval must be in writing signed by a party's authorized representative, sent to the address provided above or otherwise specified in writing by a party for notice. Notice must be sent by mail or overnight courier, with return receipt, and is effective 1 business day after being sent by overnight courier or 3 business days after being sent by mail.

9.3 Law. The laws of Massachusetts, USA, govern the Agreement, excluding conflict of law principles which would require application of the law of any other jurisdiction. Each party waives the right to jury trial for any legal action, in law or equity. The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act, as adopted, do not apply.
